WEEK 1 · DAY 2 · FRIDAY 6 NOVEMBER

# Prepare for Friday

Reading list for sessions W1.3 and W1.4

Bring a laptop

T. Santos, L. Batista · Ship and Ocean Systems Design 2026

# Reading List for Friday 6 November

## W1.3 · 13:30–15:30 · E2

**Design methods; displacement estimate; main dimensions**

- §1.3.6–1.3.7: dimensioning by ship category
- §2.1–2.3: displacement and main dimensions
- Appendix A: notes, A.1, A.3 and A.4

## W1.4 · 15:30–17:00 · E1

**The displacement equation**

- §2.13: the design equation
- Appendix C.1–C.2: Normand’s method

Papanikolaou (2026), Ship Design: Methodologies of Preliminary Design, the course textbook.

## Also for Friday

Bring a laptop: the exercises are done in Python or Excel · Project groups are final on Friday
